

PRIME DESIGN BUILD
CORPORATION

Where the Building Begins.

Building D – Etobicoke

Toronto, Ontario

CLIENT:

Firstwin Developments Ltd.

CONSULTANT:

Turner Fleischer Architects

CONTRACT TYPE:

Firm Price

DURATION OF PROJECT:

4 Months

PROJECT SIZE:

4,000 sq. ft.

This satellite building was done to fill out the client's built out building site in Etobicoke. The project went well and was built on time and to the client's budgeted amount.

The building housed two tenants in a structural steel framed building with a heavy gauge steel stud wall system. The outside veneer was made of EFIS and block.
