

PRIME DESIGN BUILD  
CORPORATION

Where the Building Begins.

## Wal-Mart Hamilton

Hamilton, Ontario

**CLIENT:**

*Hamilton Mountain  
Developments Inc.*

**CONSULTANT:**

*Petroff Partnership  
Architects Inc.*

**CONTRACT TYPE:**

*Firm Price*

**DURATION OF PROJECT:**

*3.5 months*

**PROJECT SIZE:**

*134,000 sq. ft.*

Prime Design worked closely with the stakeholders of this project to take one month off of the already tight schedule. Numerous challenges were overcome including a very wet September with high winds (a small tornado hit nearby as well), delayed start due to permit, many changes to the design, completion of outside work in bad weather conditions, etc. The building opened as planned by the project team, working together with the tenant and building owner's people.
