

PRIME DESIGN BUILD  
CORPORATION

Where the Building Begins.

## Building B6 - Winners

Sarnia, Ontario

**CLIENT:**

*Sarnia Shopping Centres Limited*

**CONSULTANT:**

*Turner Fleischer Architects Inc.*

**CONTRACT TYPE:**

*Firm Price*

**DURATION OF PROJECT:**

*5 Months*

**PROJECT SIZE:**

*27,300 sq. ft.*

This stand-alone retail Winners store will eventually be part of the strip plaza that will marry up to this building.

During the finishing stage of the construction, the team was faced with a high moisture problem in the soils.

After careful investigation, Prime and the client managed to solve the problem for minimal cost and time leaving a high quality building.
