

PRIME DESIGN BUILD
CORPORATION

Where the Building Begins.

Michaels Sarnia

Sarnia, Ontario

CLIENT:

Calloway REIT (Sarnia) Inc.

CONSULTANTS:

Thomas Gluck Architects Inc.

CONTRACT TYPE:

Design Build

DURATION OF PROJECT:

6 Months

PROJECT SIZE:

19,868 sq. ft.

This mall infill project presented some challenges associated with designing access to the loading area, incorporating the tenant's many U.S. suppliers, and re-working the plaza's high voltage system to suit the new building. The project went smoothly with good tenant relations and with minimal interruptions to the existing tenants. Michael's was moved-in on schedule.
