

PRIME DESIGN BUILD
CORPORATION

Where the Building Begins.

Bolton Retirement Home

Bolton, Ontario

CLIENT:

9623515 Canada Inc.
c/o Gardens Developments Inc.

CONSULTANT:

Michael Spaziani Architect Inc.

CONTRACT TYPE:

Design Build

DURATION OF PROJECT:

16 Months

PROJECT SIZE:

84,000 sq. ft.

This 112 unit retirement residence was completed in 2019.

The façade of this building is clad with combination of brick masonry, hardie board and EIFS to make for a classical refined look to this building.

Prime Design Build worked with the Owners to research the site budget, and designed the building to suit this location in the Town of Caledon, Ontario.
