

PRIME DESIGN BUILD  
CORPORATION

Where the Building Begins.

## Pet Valu Shell Extension

Bracebridge, Ontario

**CLIENT:**

*Bracebridge Power Centre Inc.*

**CONSULTANT:**

*Tom Gluck Architects Inc.*

**CONTRACT TYPE:**

*Design Build*

**DURATION OF PROJECT:**

*5 Months*

**PROJECT SIZE:**

*3,200 sq. ft.*

Prime constructed this small Design Build Pet Valu store for Smart REIT in Bracebridge. This building is an addition to an existing commercial retail building. This is an excellent example of how Prime has been able to coordinate and construct within an active retail environment with minimal or no disruption.
