CLIENT:

Choice Properties REIT

CONSULTANT:

ACK Architects

CONTRACT TYPE:

Firm Price

DURATION OF PROJECT:

8 months

PROJECT SIZE:

20,000 sq. ft. (combined)

This project consists of the site services, construction of 6 building pads, and the construction of 2 retail buildings each of which is 10,000 sq. ft.

The existing No Frills store was kept open and experienced no disruption to operations during our construction. Leasing changes that resulted in structural changes were incorporated into the construction of the buildings after construction had started.
