

PRIME DESIGN BUILD
CORPORATION

Where the Building Begins.

Bldg B, C & D

Alliston, Ontario

CLIENT:

Choice Properties REIT

CONSULTANT:

Point Architect

CONTRACT TYPE:

Firm Price

DURATION OF PROJECT:

8 months

PROJECT SIZE:

9,027 sq. ft.

This new retail project includes a stand alone Starbucks with a drive thru and a separate 5 unit retail building. Building materials include siding, brick, stone ACM panels and curtain wall.

This work is being done in an active retail setting, where construction is being done to minimize disruption to the existing grocery store.
